Course Information

- Will you have to have permission for an overload to enable us to register you for an additional course? _____ If these hours take you to 18 hours, we will be unable to register you without you getting permission from your dean.
- Please attach a copy of your grades (it does not have to be an official transcript)

Semester and year you took Biology 101: _____

Grade in 101/L: _____ TA: _____

Major: _____

Class: First Year Sophomore Junior Senior Other
(Circle One)

GPA (3.0 over-all minimum): _____

FALL SPRING SUMMER SESSION I SUMMER SESSION II
(Circle the semester you would like to intern) Year _____

Registration Information

All registrations will be done by the Biology Department. The course will be added to your schedule after you have completed your registration. Be sure that you are under 17 hours or have permission for an overload so that we can register you. Even if your schedule does not show Biology 291, assume that you will be participating. There will be a Biology 101 Lab Intern Meeting the day before classes begin unless otherwise indicated. You will receive an email telling you the date and time of the meeting and a Doodle Poll asking for your availability to intern.

Our Policy

In addition to completing this application, you must also fill out the attached Biology 291 Course Contract that requires departmental approval. Please be sure to turn both forms in to Barbara Stegenga in 211 Coker Hall **during the pre-registration period.**
